

TOUR OF NEGROS OCCIDENTAL

Organized by the Museum Foundation of the Philippines, Inc.

Negros is known as the sugar central of the Philippines. The cultivation of sugar and the affluence it brought to the island's economy created a unique lifestyle. This is best reflected in its heritage houses, museums, churches and the delectable food served on its table. An intimate glimpse of "La Dulce Vida" awaits you. Join us and discover what the Sweet Life in Negros is all about.
